THE CAMPILARO IN A GLIMPSE

The *Campilaro* is a **3-day / 3 stages** cyclo sportive created in 2015 offering full service to all cycling enthusiasts, race riders and cyclo tourists, licensees and non-licensees, aged 18 and more. All participants can register solo or as a team.

Managed and powered by experienced local organizers, the *Campilaro* proposes an unique Pyrenean experience: crossing with full support and comfort the mythical climbs that wrote and are still writing cycling history.

Its format is also unique: the *Campilaro* is timed only on selected climbs, giving each rider in the peloton the chance to manage the race as she or he wishes.

Riders followers, friends and families will also enjoy the quality of the Pyrenean hospitality and will be able to follow the race with precise road book information.

The *Campilaro* is strictly limited to **210 bib numbers**, honoring the number of riders in historical cycling Grands Tours and staying faithful to its values of proximity and exclusivity.
